**The Heritage Omnipanel** is available in three frame finishes: Light Oak, Red Cherry and Glossy White. Each frame is decorated with inlaid brass. On the top wood panel, three robe knobs are included to hang coats or towels. On the TW12 and TW21 models, the other wood panels are partially drilled from the back, enabling you to customize your unit with additional robe knobs.

**Hydronic units** are compatible with Closed Loop Forced Hot Water Heating Systems.
